

METAL BELLOWS SHUT-OFF VENTIL

MBSOV-SERIEN

Metal Bellows Shut-off Valve

- Tryk: PN 40
- CV= 1.4
- Temperaturområde: -20 til 70°C
- Vægt: 0.4 kg

D42528

D43129

PRODUKTBESKRIVELSE

Tescom Metal Bellows Shut-off-ventil

Til højren gasser i laboratorieapplikationer.

Applikationer

- Ren gasapplikationer
- Højflow-systemer
- Rensningsproces
- Anvendes i hovedlinjer

Fordele

- Fuldt metal design forhindrer gasforurening
- Rustfrit stål bellows og poppet
- Farvekodet gas på håndhjulet for let identifikation
- Oxygenrenset
- Fri for olie og fedt

Example for selecting a part number:

D43129	AR	11
BASIC SERIES	GAS TYPE LABELING ON HANDKNOB AND CAPS	CONNECTIONS
D42528	According to DIN EN 13792	00 - Female G 3/8
D43129	AD - Oxygen and other gases Cap: handknob and cap "gas" label according to DIN EN 13792	
	"State type of gas when ordering. Standard color for handknobs is grey. Please ask for additional colors if needed."	"Compression fittings in Brass/Steel/Inconel are available, please refer to datasheet 'Fittings'."

Note: When selecting valves, the compatibility of the materials with the process gas must be verified.
